

TOTAL GREEN NEUTRA-KLEEN

Product# 179

Neutral Disinfectant Cleaner

This multi-purpose disinfectant cleans and deodorizes with a neutral pH on a wide range of materials and surfaces that would otherwise be damaged by disinfectants with higher alkaline or acidic content. This powerful concentrate is an effective virucide, fungicide, and bactericide designed for use on hard, nonporous, inanimate surfaces. Total Green Neutra-Kleen Disinfectant Cleaner is effective against HIV-1 and herpes type 1 and type 2 viruses and controls the formation and spread of mold and mildew.

Use on most hard nonporous surfaces

- Glazed Ceramic
- Elastomeric
- Metallic, & Plastic Surfaces
- Vinyl
- Glass
- Polyethylene
- Glazed Porcelain
